

ANNOUNCEMENT

Carego expands its operations to Western Canada

Carego is pleased to announce the opening of a facility in Winnipeg, Manitoba. The new warehouse is an 18,000 sq ft distribution centre designed to meet the requirements of our customers in western Canada.

Our Winnipeg operation is the first in a string of purpose designed trans-shipment facilities in the West. In addition to being able to handle steel coils up to 20,000 lbs, it also offers a full array of distribution services including, cross-docking, JIT Delivery, pick `n pack, inventory management and container stuffing / de-stuffing.
